GRILL

Day and Evening Menu Served from 11:30am - 9:00pm

Our approach is simple: source the best quality ingredients, don't fuss with them, and cook the old school way. We slow smoke our meat over hickory wood on Bradley smokers then grill over open flames on Synergy grills, giving it an authentic smoky flavour. **Ask to see our specials board for seasonal dishes.**

Please inform us if you have any special dietary requirements or allergies prior to ordering.

The background of the entire image is a solid teal color. Overlaid on this background are several horizontal, wavy lines in a lighter shade of teal. These lines are grouped into five distinct sets, each consisting of approximately 10-12 closely spaced lines that create a sense of movement and depth, reminiscent of ocean waves.
