## Golden Glow

🕒 60min

### Gold Rush facial

This facial combines champagne, (which contains a powerful antioxidant), pearl powder to help renew skin cells, decadent caviar extract, vitamins and minerals to help prevent dullness and dryness, hyaluronic acid to retain skin's moisture, and 23 carat gold to help renew the elasticity of your skin by stimulating cell growth.

## Winter Warmer

🕒 60min

### Nourishing Rose scrub

Rose petals contain compounds that improve metabolism and aid body detoxification. Also contains antioxidants and antibacterial compounds. Rose petals soothe the skin and provide relief from irritation as well as being wonderfully fragrant.

## Body Balancer

🕒 60min

### Swedish warm candle oil massage

This full body massage helps with circulation and the lymphatic system, while also releasing tight muscles and feeding them with oxygen.

The rose candle helps to promote the feeling of wellbeing and positive thoughts while reducing anxiety.
