A person wearing a yellow helmet and a black wetsuit is seen from the side, carrying a large blue inflatable raft through turbulent water. The person is leaning forward, and water splashes around their legs. The background shows dark, rocky terrain. The overall scene conveys a sense of adventure and teamwork.

PUSH THE BOUNDARIES

Escape the usual office environment and facilitate team bonding and trust by pushing the boundaries of what your team believes it can achieve together.

SURF, SEA & STRATEGY

Engage in activities that are bespoke to your team, such as surfing lessons, coasteering sessions, environmental beach cleans and coast-path hikes.

HAVING A BLAST

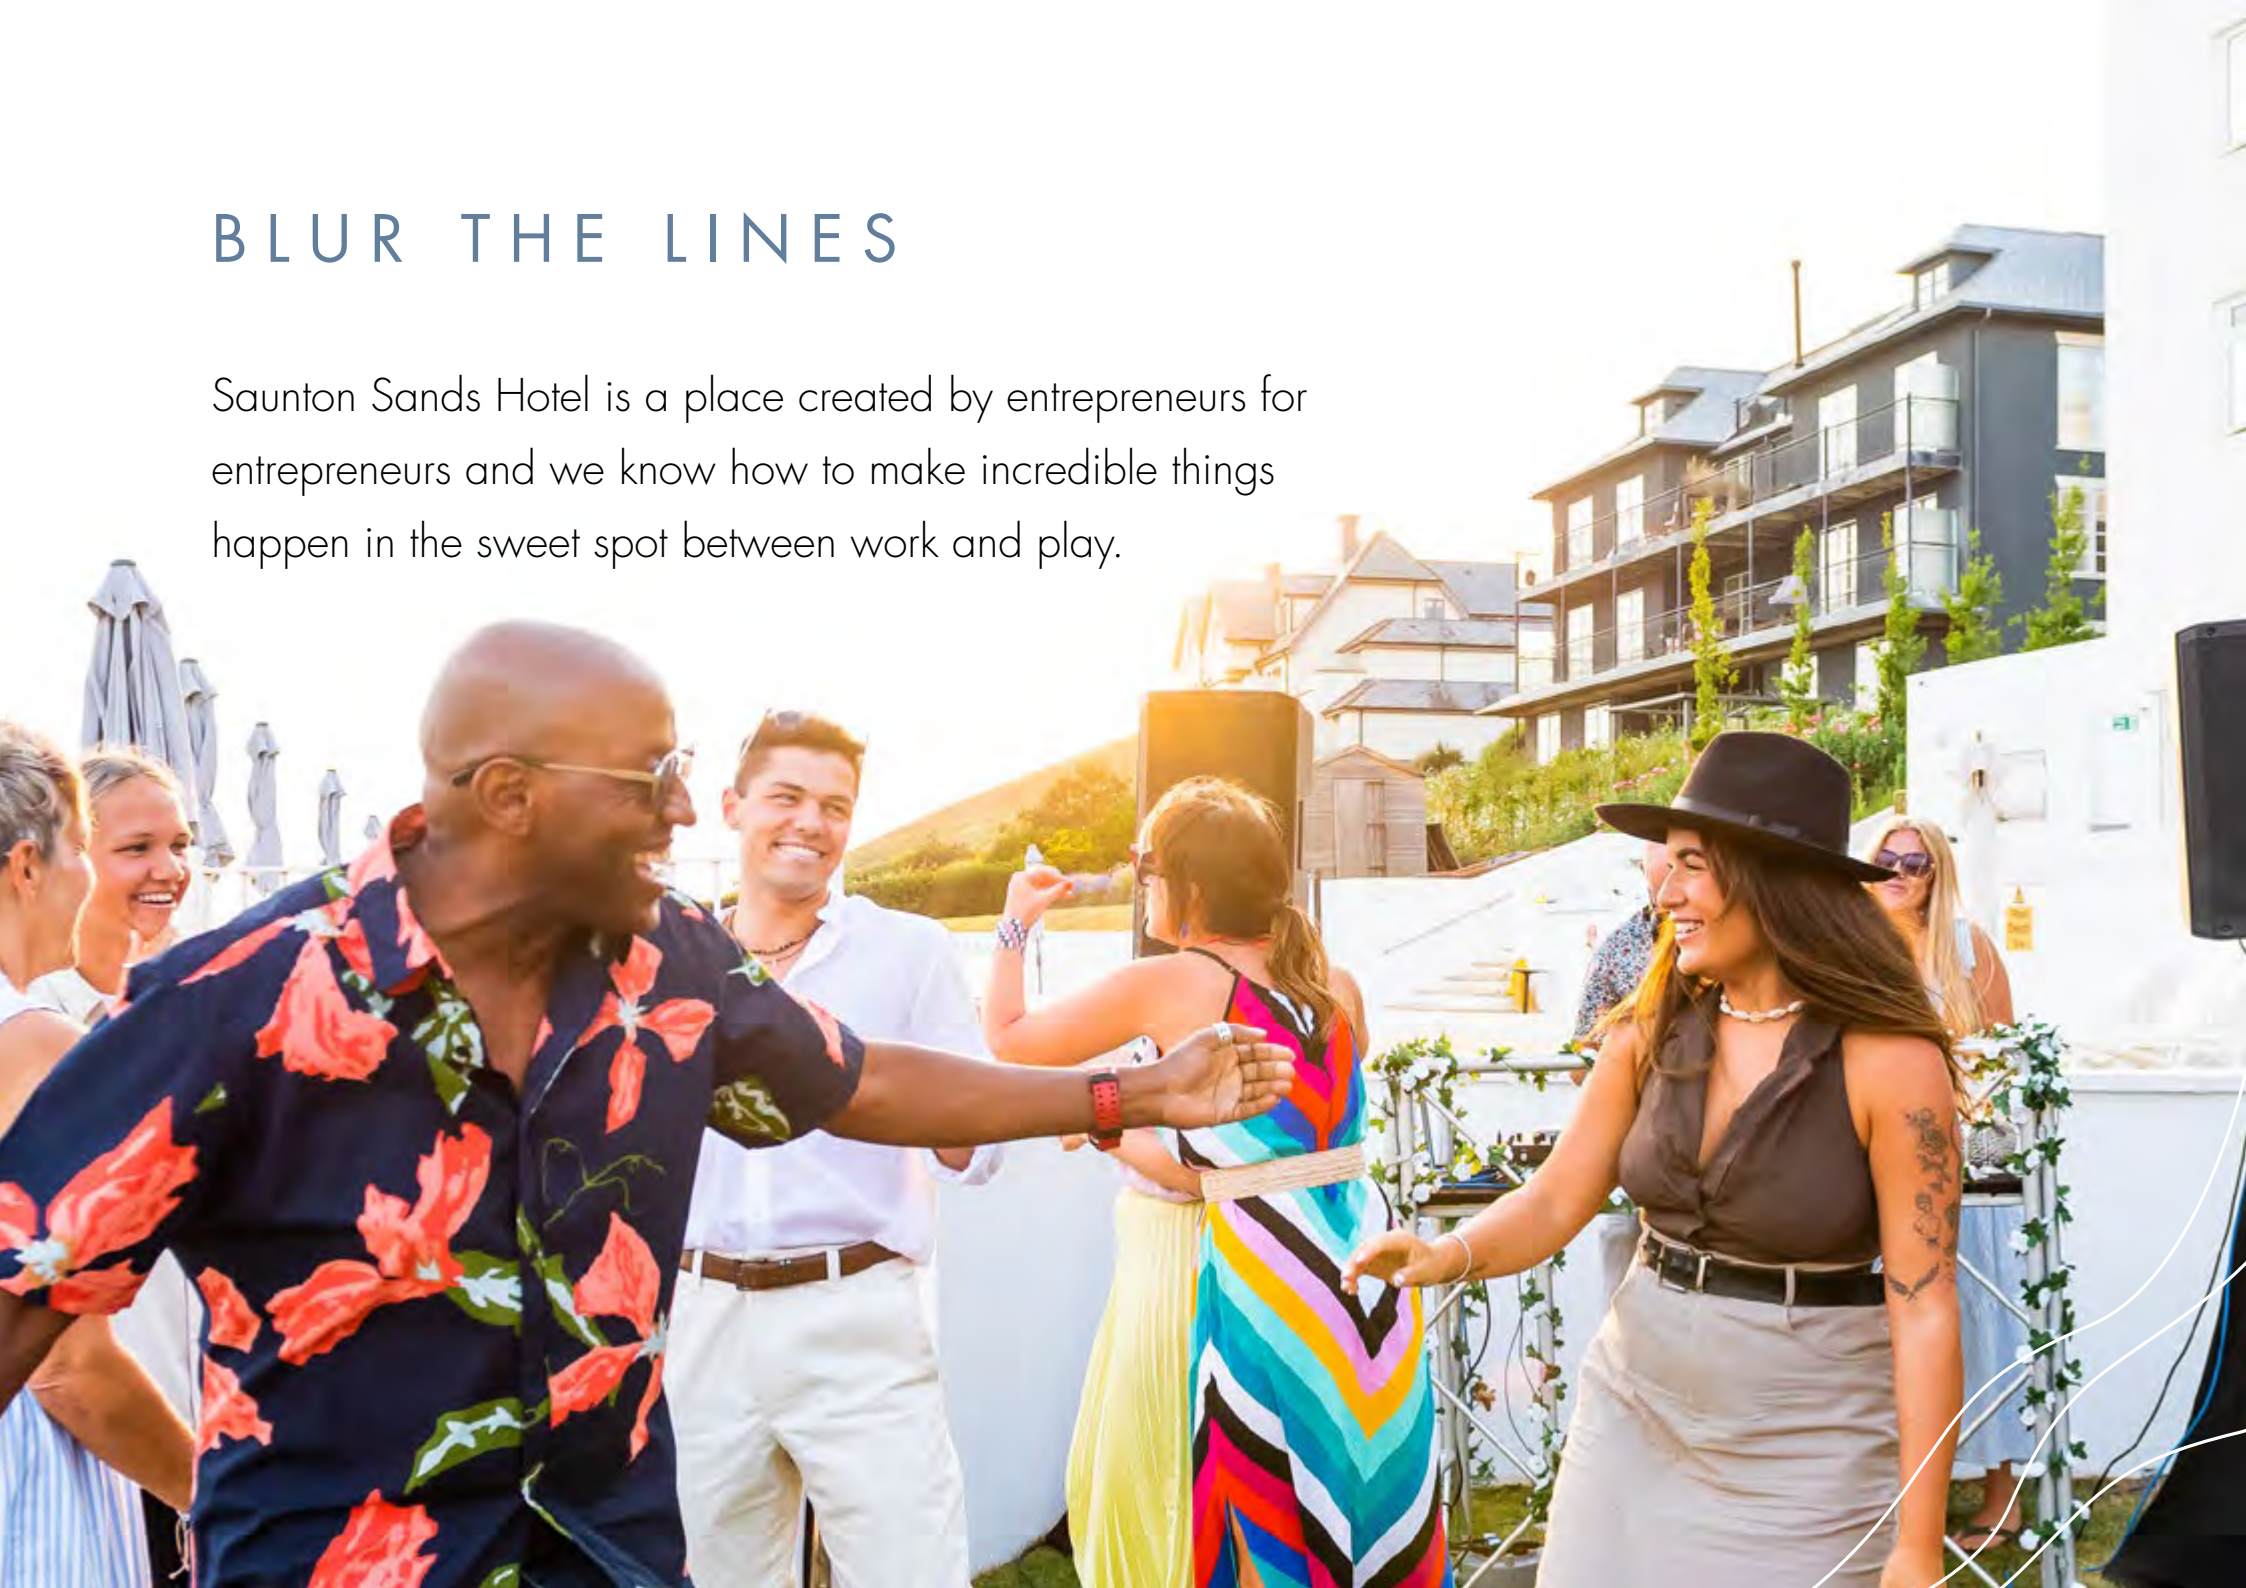

Cold-water therapy is making waves for its mental and physical health benefits, and where better to test the waters than in this pristine natural environment?

We partner with the cold-water therapy pros at Chill UK to curate sessions specifically for your team.

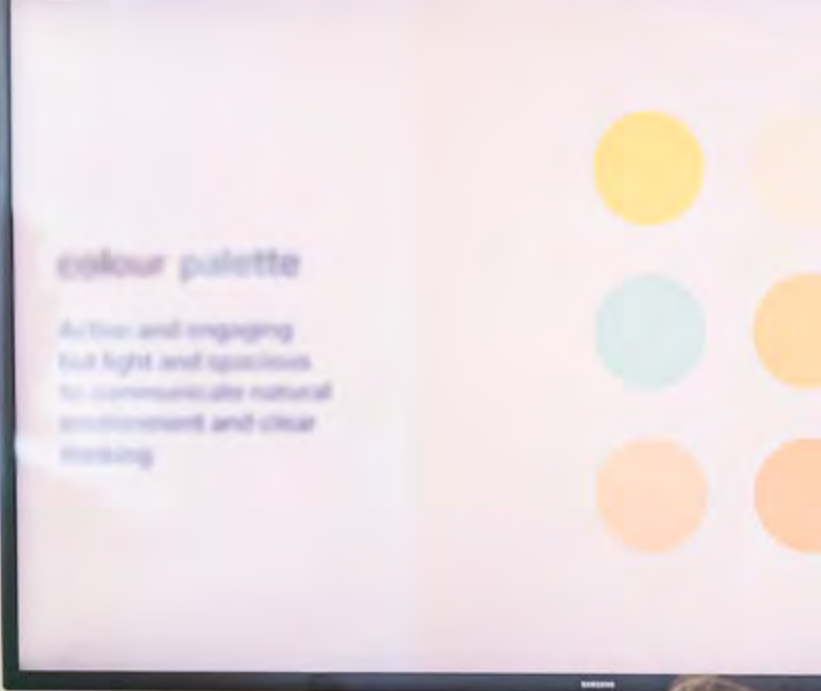

BLUR THE LINES

Saunton Sands Hotel is a place created by entrepreneurs for entrepreneurs and we know how to make incredible things happen in the sweet spot between work and play.

CREATIVE INSPO

Teams find creative and intellectual inspiration in new environments that inspire ideas.

FROM MAJOR TO MINOR

The hotel has spaces to suit large conferences of up to 200 delegates and facilities for small groups looking for an environment where they can explore over-the-horizon envisioning.

OUR MOST BESPOKE EXPERIENCE, TAILORED TO YOU

For intimate corporate events, brainstorming sessions, small presentations or team-building exercises, the Surf View Apartment is the perfect destination. Use of this contemporary apartment can include a private chef who can cover everything from casual gourmet barbecues to elevated fine-dining.

QUALITY DOWNTIME

The world-class Source Spa, two pools, a gym, tennis courts, golf course next door and very comfortable rooms take the business experience next-level. We can also organise creative and wellness enhancing group experiences such as cold-water swimming therapy.

FUEL THE MIND

Incredible food and drink helps fuel the mind and creates fun social time. The hotel has a smart bar and lounges plus two AA rosette restaurant The Dining Room and the casual Beachside Grill for steaks on the terrace.

JUST THREE HOURS FROM LONDON

Saunton may be only three hours from London but it feels a world away from the everyday. Take a two-hour train from Paddington to Tiverton Parkway where we'll pick up your party and whisk you to Saunton. If you're driving, we're an hour off the M5.
